

Priority Waitlist

Make your future your priority

If there's one thing that's certain, it's that life is never certain – making now the perfect time to plan for your future. Whether you are ready to make the move now or later, joining the Priority Waitlist at Canterbury Woods is the first step.

What is the Priority Waitlist?

Due to high demand and limited availability, the Priority Waitlist ensures your place in line to be offered a home at one of our Canterbury Woods locations.

What are the benefits of joining?

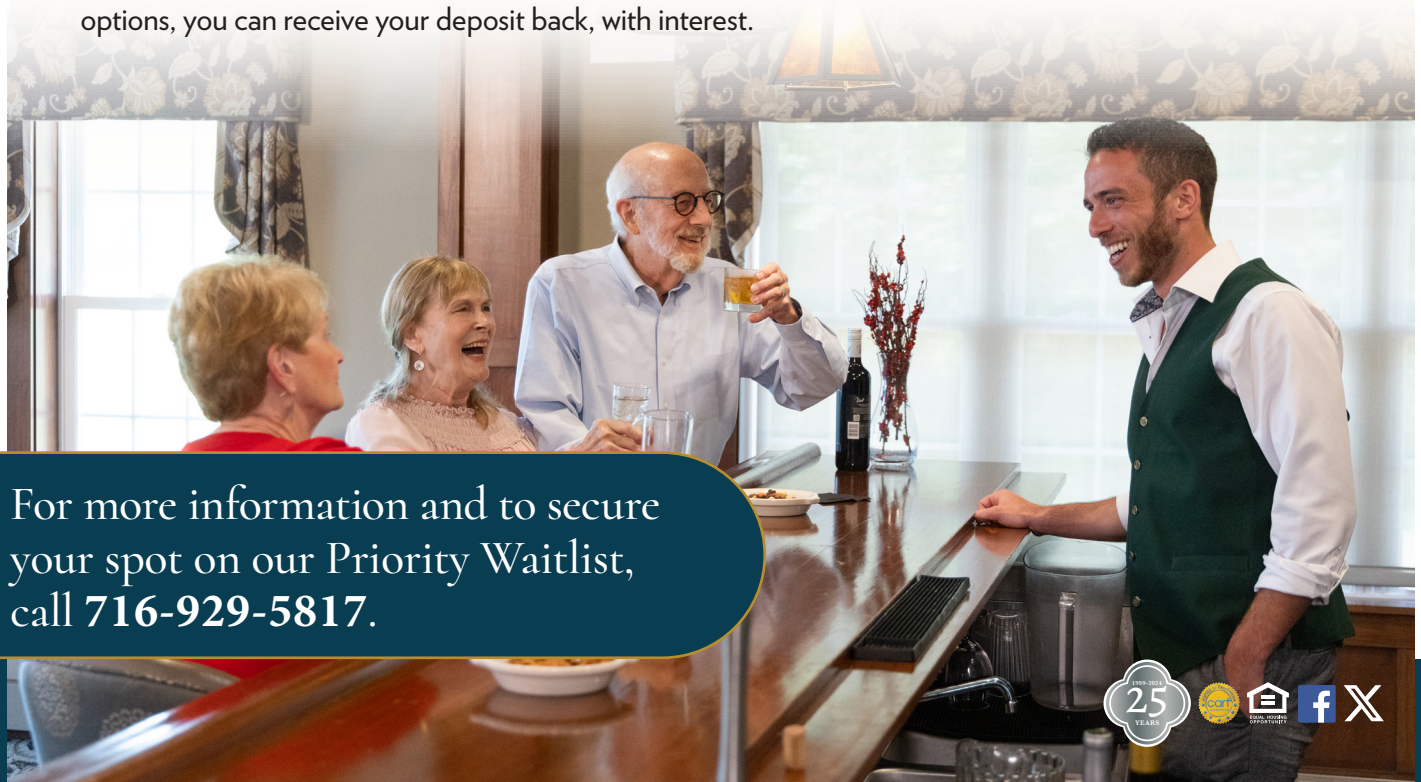

At Canterbury Woods, we want you to enjoy aspects of our lifestyle once you join the waitlist! You will receive newsletters with information, invitations to classes and lectures, dining opportunities, use of our fitness center and swimming pool, and more – all so you can start enjoying a lifestyle as unique as you.

What do I need to do to get on a Priority Waitlist?

Place a fully refundable, interest-bearing deposit of \$1,000 for our Williamsville location and/or \$2,000 for our Gates Circle location. You'll then fill out a Priority Reservation Agreement and a Form W-9.

What if I'm not ready or choose to remove myself from the list?

Our Priority Waitlist is no risk with minimal commitment, meaning that if you aren't ready, you can choose to decline an apartment while keeping your number in sequence. If you decide you'd like to explore other options, you can receive your deposit back, with interest.
